## AMC Safe & Clean™

We look forward to welcoming you back to the movies at AMC.

AMC follows area mandates and meets or exceeds CDC guidelines. Our policies continue to evolve while maintaining focus on the health and safety of our guests and crew.

Area mandates require proof of vaccination for all guests ages 12 and older. **Please be prepared to show your proof of vaccination documentation and photo ID when you present your ticket to the ticket taker.**

Proof of vaccination documentation includes:

- Physical vaccination card
- Photo or digital copy of vaccination card
- Documentation from health care provider
- Digital vaccine record issued by a state entity

**Area mandates also require masks to be worn at all times**, unless you are actively enjoying food and drinks.

Installing MERV 13 air filters, joining the Clorox® Safer Today Alliance and thoroughly enhanced cleaning procedures are a few other steps we've taken to enhance our AMC Safe & Clean™ promise
